AROMA Fresh Mint • Spearmint • Menthol

TASTE Menthol • Fresh Mint • Umami

FEATURES & BENEFITS

Our Hokkaido mint boasts the world's highest menthol content for a pronounced cooling sensation, while a light touch of sweetness softens the intensity into a balanced profile.

HIGH MENTHOL

An icy burst of premium mint, delivering ultra-high menthol for an intense awakening effect.

HERBAL NOTES

Underlying herbal tones add a natural, green freshness that keeps the profile grounded and balanced.

MONK FRUIT

A light note of monk fruit introduces a subtle sweetness that eases the brightness of the mint.
